From the Principals

The term continues as students now begin to settle into the classroom routines and begin the learning program in earnest. It has been an exciting week for a number of students who have been celebrating Chinese New Year on the weekend. I would like to take this opportunity to wish those families all the best and hope that they have an enjoyable celebration with their families.

It has been extremely busy at the campus with the majority of our students attending in-term swimming lessons in the last part of last week and throughout this week, finishing on Friday. Swimming is an essential skill for those living in Australia as aquatic activities are a part of the lifestyle for almost all Australians, given that we predominantly live in coastal areas. Thank you all for your support and patience over the past fortnight.

I have been very impressed with the students in the first weeks of school. They have settled into classroom routines and have begun the programs successfully, despite the added interruptions of swimming. Looking great in their fresh school uniforms, the students have been actively playing and enjoying themselves inside and outside the classrooms. The weather was certainly warm last week, and students are reminded that they must have a hat if they wish to play outside. "No hat, no play" is our rule. I would like to wish our students all the best for the coming year.

The annual school census will be recorded on Friday 15 February 2019. This process is extremely important as it is a recording of the attendance of the students, and records the number of students enrolled at our school for 2019. Based on this data, funding for our school is calculated and provided, as part of the Student Centered Funding model upon which our funding is based. The amount of funding available will be communicated to us in the coming weeks.

Wednesday, 20 February

It is looking like another big year in sport at Riverton and really excited to see what's to come!

PE classes are not running the first 2 weeks with swimming in full swing for most of the year groups.

SPORT NEWS

TERM 1

This term only has two Interschool events at this stage with the Regional Cricket Carnival and the Academy Plate tennis. This is due to clashes with swimming. Thankfully WA School Sports runs several tournaments for each sport and I will do my best to make up for them in later terms if possible.

Regional Cricket Carnival at Parkwood Primary School – Friday 8 March (Time: TBD)

Girls Academy Plate - Thursday 21 March (9:00am – onwards)

Boys Academy Plate - Friday 22 March (9:00am – onwards)

TERM 2

Eagles Cup will be commencing early in Term 2 with a lot of the preparation and training needing to be completed later in Term 1. If all year 5 and 6 students could please start to put some thought into whether they want to participate in AFL, Soccer or Netball

Trial Dates 12 years and Under WA State Schoolgirls

On page 5 are details for any keen female soccer players interested in trying out for the 12 and under WA State school girls team. Last year we were happy to see Clara get selected and would be great to see another Riverton girl get to represent WA.

Expression of interest:

I am also looking for any parents wanting to participate or attend at any sporting events in the future to please contact me at kane.tomasevich@education.wa.edu.au. It would be great to have you and know the students would appreciate it!

Safety around SCHOOLS

Working together for a safe community.

School Parking

In an effort to provide a safer environment for everyone, Officers from the City of Canning patrol school parking in the mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians in general. Unlawful parking in school areas is a major safety hazard and parking infringement notices may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, City Officers conduct educational patrols in school areas. During this period Officers remind drivers of the need to park legally and safely and ensure compliance with the City's Parking Local Law 2010.

As part of this initiative, City Officers work closely with the school community to promote safety around schools. Information leaflets are also distributed to schools for inclusion in school newsletters to advise parents of the parking requirements under the Local Law.

Common Parking Problems

- Stopping/Parking in a **No Stopping** area
- Parking in a **No Parking** area

What NOT to do

- Block driveways
- Stop or park on footpaths
- Obstruct children's pedestrian crossings

- Ignore parking signs

Please contact Ranger and Community Safety Services on 1300 4 CANNING (1300 422 664)
If you need help or advice regarding parking.

School Zones

40km/hr school zones are in place around every school in the City of Canning. School zones operate from 7.30am to 9am in the morning and 2.30pm to 4pm in the afternoon.

Children warning signs and 40km hour school speed zone signs are the responsibility of Main Roads WA and requests for additional signs or sign damage reports should be directed to them on 138 138.

Pick Up and Set Down Areas

Pick Up and Set Down Areas are designed to allow large numbers of vehicles/parents to pick up or set down their children in a short length of time. Typically they are located adjacent to the main school entrance.

When using these areas, kiss your child, say goodbye, allow them out and drive away as soon as possible. When using the designated Pick Up and Set Down Areas around schools never leave your car unattended.

Contact your local school to find out if a 'Pick Up and Set Down' Initiative is in place.
