From the Principals

As we come to the end of Term 2, I would like to take this opportunity to congratulate the students on an excellent semester's work and sincerely thank all the parents for their continued support of our campus and their efforts in working to help our students achieve the best outcomes we can. It has been another busy term with a number of events from the opening of the mural through to the 70th Anniversary of the primary school and of course NAPLAN on-line, a host of excursions and of course our Dance program. The students have taken all these events and disruptions in their stride and the learning programs have continued unabated. Thank you in particular to our teachers and staff members who have worked tirelessly to ensure that high quality programs inside and outside of the classrooms have continued. Finally, I would like to wish our parents, students, staff members and their families all the best for the coming holiday break. Have a safe, relaxing and enjoyable holiday with families and friends. Please note that the School Development Day is on Monday 22nd July, and school begins for the students on **Tuesday 23rd July** at Riverton Primary Campus.

Our Dance concerts began yesterday afternoon with the first group of classes presenting their dances in front of parents, families and friends. It was great to see our students perform so enthusiastically and skilfully in front of such a large audience, providing an opportunity for them to showcase the skills and creations they have developed over the term. Thank you so much to all those parents who were able to come along. I would like to congratulate all the students and also acknowledge the great work of Demi McMillan, our dance instructor. Well done everyone! I am sure that Thursday's concert will be just as exciting with yet another set of students keen to show what they have learnt. Dependent on injuries and fatigue, I am sure the teachers will return for another guest appearance!

Our students are today representing the campus at the Winter Carnival, playing football, hockey, netball and soccer against a number of other local schools. I wish our students all the best, certain that they will do their very best, enjoy the day and be great ambassadors for the campus. Thank you in advance to those parents who are able to attend the carnival and thank you so much to Mr Tomasevich for all his preparatory work and coordination of the event. Finally, thank you to the teachers who have supported Mr Tomasevich in the training and preparation of the students, including Mrs West, Mrs London, Mrs Klass and Mrs Hooper. Go Rivo!

Please note that Semester One Student Reports will be available from tomorrow for parents to download and view. Please read them carefully and discuss them with your children. If you have any queries or wish to speak to the class teacher, feel free to contact the school and make an appointment to see the appropriate teacher.

It was a busy week at the campus with the junior primary classes being visited by the St John Ambulance group who went over the principles of First Aid with our young group. The students loved it as did our Kindy students who had their annual AWCH incursion where they learnt about hospitals and health. Thank you again to our visitors and to Mrs Frossos for organising the visits. Our senior students represented the campus at the Eagles Cup fixture at Parkwood on Friday afternoon. I was lucky enough to attend briefly to watch the AFL team and the netballers in action. Congratulations to all the students who participated and enjoyed the afternoon. Well done to our undefeated football team and to our netballers and soccer players on excellent efforts. Thanks to Mr Tomasevich, Mrs West, Mrs Hooper, Mrs London and Education Support EA Cam Grundy for their work. How amazing it was to see one of our ESC students going along as part of one of our soccer players. What a fantastic example of inclusivity, one of our most important values.

We are concluding our term with "Wellness Week" whereby the campus acknowledges the importance of mental wellbeing through a series of fun and awareness activities to celebrate our health. Beginning with the appearance of the "wellness fairies" yesterday, we will have a number of fun activities across the school, including pyjama day tomorrow, when everyone is welcome to wear their pyjamas to school in return for a gold coin donation. There will also be an art activity across classes, reading of special stories and some fun dancing. As positivity and inclusivity are two of our core values, I am certain that everyone will embrace the ideas.

Finally, thanks to Ms Sturgeon who took a group of our students to Stockland Riverton on Wednesday last week, where they, and others from other local schools, created a video and spoke to the Lego "Brick Man", who is coming to the Shopping Centre on Thursday 4th July (this Thursday) where those students will get a VIP session to work with him on Lego! It will be really exciting for the students, who are keen to meet him.

The Journey to Parliament House

By Tiana and Chathuni

This term the year 5's were lucky enough to visit Parliament house.

When we arrived we headed straight for the Electoral Centre, where we met a wonderful lady named Mary who showed us how preferential voting works, taught us about the levels of government. After that, we headed to another room nearby that contained a giant screen and a mannequin named Viv who was the news reporter who introduced a man named Justin Credible who talked about what happens on polling day and how they count votes.

After recess, we got ready to walk to the Parliament House of Western Australia. When we arrived at Parliament House where we met a sweet man named Michael. Michael showed us around the second floor of Parliament House. We arrived at the Lower House where we had a play on Hoon's and how laws are made. We talked about the Mace and the Black Rod. We also learnt that the crown on the Mace points to the party in power. We found out that the Mace in Canberra is made of pure gold. The mace also protects the speaker from harm because of a story where seven speakers were killed in the past. We then visited the Upper House, where we talked a bit about the black rod, which the crown also points to the party in power.

After lunch we went to the Constitutional Centre, where we met a lady named Miss Rennie who talked about what the responsibilities are for the 3 levels of government. She also talked a bit about the federation in 1901 so we know more information about it. It was finally time to hop on the bus and head to school.

"After my time at Parliament my life won't be the same!" - Jack

"Going to the Parliament House I just noticed how much in life I was missing out - it was a great excursion." - Roshini

JAPANESE NEWS....

Year 3-6 students did the Origami lessons as the Japanese reward activity on Week 8 and 9 in Term 2.

Origami is the art of paper folding, which is often associated with Japanese culture. Some classes made a Kabuto (Samurai helmet) and the other classes made a Koma (spinning top). The students learned colours, shapes and some classroom instructions in Japanese.

COMMONWEALTH BANK DONATION

Thank you very much to Ashleigh Delaney, Branch Manager from the Riverton Shopping Centre, Commonwealth Bank, for their very generous and kind donation of \$500.00 to the Education Support Centre.

The money will be used to purchase bicycles for the students from the centre. We greatly appreciate the donation, thank you again.

From Mr T... Eagles Cup Competitions

Netball - The "A" Netball did not get their desired results but the hard work and time they gave up during lunch and recess definitely showed. They ended the day with a 1-1 record, losing to Caralee, who went on to win the West Coast Fever Cup. The B team won both of their

games and with a heavy year 5 focus in the "B" team, I look forward to seeing what they can produce next year.

Winners are
Grinners

The AFL team was in a league of their own today with 2 comprehensive wins and did not look like losing a game. We had a number of stand out performers but the most pleasing aspect was the contribution and effort that was given from every single player. Congratulations on winning the Eagles Cup and looking forward to seeing that effort again at the Winter Carnival.

WE'RE FAMOUS!!

Some of our fabulous students represented our school at Riverton Forum to be in a Lego movie!! Click on the link below to take you to see them in action. There has been over 1.2k views.

Parent Workshop Thank You!

Thank you to all who attended the parent workshop, Children's Friendships.

The workshop was presented by Claire Orange. Claire is the mum of 4 boys, a therapist, an author, media spokesperson, speaker and a passionate advocate for better outcomes for children everywhere. The workshop included understanding the friendship relationship zones, how to make and keep friends, how to identify and manage unhealthy friendships, how to tackle drama triangles and what to do about friendship bullying. We had 69 people attend the workshop. It was a great success! Claire presented practical, immediate applicable solutions to common problems in children's friendships.

The presentation was paid for using a combination of Riverton Primary Campus and Shelley Primary School's funds raised from the Gilbert's Fresh Marker (Fruit and Vegetables) Support Our Schools Program, and both school's P and C. So please go to Southlands and become a part of the Gilbert's SOS Community project. Also if you have forgotten to pay your P and C Contribution, please do now. These funds, along with any fundraising done by the P&C throughout the year, are used for the betterment of our school environment both inside and outside, for students, teachers and parents. Your support is much appreciated!

Regards,
Natalie Smith
