Last week we hosted our annual "Book Week" at Riverton. This celebration of reading across the campus involved a variety of events and activities that promoted and acknowledged the enjoyment of reading in society. The love and enjoyment of reading is crucial to education and was the focus last week. Author, musician, teacher and entertainer Andy Jones was our primary guest during the week and he spent time with each of our classes who were both entertained and excited. The week culminated with a brilliant presentation in the Covered Assembly Area where the students and staff members, proudly wearing their capes, laughed, sang and danced together enthusiastically. Andy Jones was a truly inspirational guest. Thank you to our librarian, Mrs Murphy, who has organised the week for us, and to all the students and staff members who participated.

Our fast-running students represented our campus when they participated in the Interschool Cross Country event last Tuesday, with a number of students involved. From all reports the students did very well, all competing with enthusiasm and commitment, resulting in the campus gaining third place. I would like to take this opportunity to congratulate all the students who attended and thank Mr Tomasevich and Mrs London for their work in the preparation and selection of students for the carnival. The students were once again brilliant ambassadors for our campus, doing their best for the team and the campus. Thank you also to those parents who were able to attend the event.

The sporting events didn't stop there, with a large number of our middle and upper school students representing the campus at the Interschool Basketball competition at the Willetton Basketball Stadium. We had four (4) teams competing and they are to be congratulated on a fine effort. I was lucky enough to be at the carnival and was very impressed with both the skills and the commitment of all our students. Congratulations to our representatives who displayed both enthusiasm and the positive results of practice sessions at school. Finally, thank you to Mr Tomasevich and Mrs London for their work in preparing, organising and leading the teams on the day, and to those parents who were able to attend the carnival.

Parents are reminded that our Open Night this Year will be held tomorrow evening (Wednesday 28 August) from 5.00pm until 7.00pm. Classrooms will be open for parents to visit and view a "snapshot" of their children's work undertaken as part of the learning programs in 2019. I look forward to seeing a large number of parents at the school and enjoying the chance to visit their children's classrooms. Hopefully the weather will be cooperative!

Our choir, led by Mr Davey, is a talented group of enthusiastic singers and they really enjoy the chance to perform both at school and at outside venues. They will be performing again on Friday night (30 August) at the "One Big Voice" concert at the RAC Arena in Perth. Along with a huge number of other children from a variety of schools, the students will present a number of songs. I would like to wish our students all the best for the show and thank in advance those parents who are going along to watch and support them. Thank you to Mr Davey for his coordination and leadership, and Mrs Frossos for her support and attendance.

Safety is paramount when students arrive or leave school each day. It is crucial that, if driving, parents obey the rules around drop off and pick up, paying due respect to the parking areas and/or times. Recently, I have been informed that some parents have been dropping their children off right outside the front gate, rather than in the correct "drop off" zone. It is really important that parents not do this as traffic can become even more congested and accidents may occur. Please read the signs and drop the children in the correct zones. In addition, all pedestrians, be they students or adults, should use the designated crossing point as the place to cross Corinthian Road. We have a crosswalk attendant there to manage the traffic and assist you to do this. Crossing at another point is both dangerous and likely to cause other traffic concerns. Thank you in advance for your cooperation.

Come and join us for  
**OPEN NIGHT**

**Wednesday 28 August**

**5.00pm - 7.00pm**

# AFTER SCHOOL REMINDER

Students who are waiting for their parents after school must sit outside their classroom until they arrive.

If parents are not at the school, students are required to leave the school grounds as soon as they are dismissed from class.

Thank you for your co-operation.

Maria Stanbridge  
Deputy Principal

## OPEN NIGHT

### English As An Additional Language/Dialect (EAL/D)

We would like to remind you that the EAL/D classroom will be open during Riverton Primary School's Open Night.

We encourage all students, parents, grandparents and friends to come and have a look at the classroom, student work that is displayed and resources we have.

Our classroom is made up of K/PP, Years 1 to 3 and Years 4 to 6 areas. We are very proud of the program we offer and would like to share this with all EAL/D and non EAL/D community members. We look forward to seeing you on the night!

Ms Campbell, Ms Smith and Ms Fox

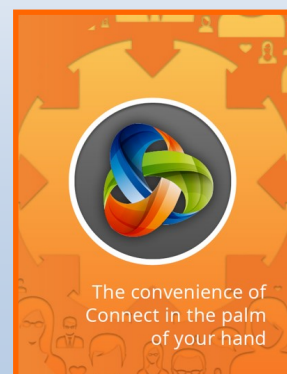

## One Big Voice 20th Anniversary DVD

## X Country

A huge congratulations to Canning on winning the Cross Country. It is a magnificent achievement. Thank you to all of the parents that came to support their child and to all the staff who helped set up, pack away or helped in anyway.

## Interschool X Country

Congratulations to those who represented Riverton at the Interschool Cross Country day. Our senior students were incredible all day with their support for the other students and really set a strong example for future Years. Riverton ended third in the meritorious shield. Thanks to strong performances from Tori in room 9, Kane in room 12, Cale in room 13, Frank in room 21, Josh in room 20, Mitchell in room 22 and Mackenzie in room 20, who all had top 5 finishes representing the school.

## Willetton Summer Slam Basketball

This Year we had to move the basketball back to Willetton, which was not ideal with the construction going on but proved to be a brilliant day regardless for our middle school and senior school students. Our senior teams were beaten due to a lack of height but should be commended on the level of competition that they put forward against some very strong competition. Between our mixed 3/4 teams, the only defeat of the day came when Riverton A v's Riverton B. It was impressive to see the talent on display and looking forward to states for our 3/4 teams.
