From the Principals

We have finally come to the end of the third term at the campus. I would like to congratulate all our students for their excellent efforts throughout what has been a long and busy term and thank the staff members here for their wonderful and consistent efforts in providing meaningful learning programs despite the usual interruptions, distractions and changes that inevitably occur during a school term. Thank you also to the parents and families for their support and cooperation each week. Finally, I would like to wish our staff, students and their families all the best for the holiday break. Have a safe, relaxing and enjoyable time with your families so that you can come back next term refreshed and ready to take on the challenges of the final term for the year. Please note that Term 4 commences on **Tuesday 15th October**.

Our final week for the term will focus on Health and Wellbeing at the campus, one of our priorities. A number of messages and activities based on physical and mental health will be provided this week to focus on the importance of everyone maintaining their health and wellbeing in a busy and stressful world. We are looking forward to the "Wellness Week" as a great to end the term with energy and a positive approach to life.

Please remember that we conclude our term with the special whole school assembly on Friday morning at 9.00am. We will present the end of term awards to students and celebrate the term. I look forward to seeing lots of people there to farewell what has been a very dynamic term.

YEAR ONES STORYVILLE

Term Three has seen the Year Ones enjoy a reading program called Storyville where actors who are gifted in the art of storytelling bring fun stories to life during live streaming from the Eastern States. This program harnesses the talent of performers to encourage the children to read.

We had five sessions and in one session Humphrey Bower an actor came to the school and read to the children. The children were completely enthralled with the stories read by him.

YEAR 2 AQWA EXCURSION

The Year Two students had a wonderful time visiting AQWA and the Duyfken ship replica. The teachers were very impressed with the way the students represented their school and we all learnt a lot about history, geography and science. It was an amazing day!

On Tuesday the 17 September, all of the Year Twos from Riverton Primary Campus caught a bus to go to AQWA. It was in Hillarys Boat Harbour. We went there for an excursion.

Firstly, we got split up in our groups. I got to see the Duyfken first. I found most of the stuff interesting like the toilet, the biscuits, the cannons and the type of sickness they got which was scurvy. Then we went into a classroom. A person named John told us that the Duyfken was made more than five hundred years ago.

After lunch, we finally got to go inside the AQWA building. We first went down stairs and I liked everything especially the conveyor belt. After that, we went outside to the touch pool. I got half of my body wet because I got most of my group starfish and Ellie got a seacucumber. I had a amazing time at AQWA.

Room Two*

On Tuesday the 17 September all Year Two's from Riverton Primary Campus caught a bus to Hillarys Boat Harbour.

First, we ate morning tea in the grassy park. Ladies from AQWA came and explained the rules to us.

Next, our group went on a tour in the replica of the Duyfken. I saw the kitchen, toilet and bedroom.

Then, we went to the little class were this old man taught us about the history of the Duyfken. He also taught us about the cat of nine tales. I got hit from Ellie with the cat of nine tales.

After that, I went to the touch pool with my other friends. I went downstairs on the conveyor belt and I saw a big shark. I called him or her sharky merlarky. Next, I went to the Danger Zone. I saw stone fish, puffer fish and a Blue ring octopus.

Finally, I went deep under ground and watched little and big fish swim. After I watched the fish it was lunch. After lunch we all went thru the gift shop café and we exited AQWA went on the bus and went back to school then went home.

CONNECT

Have you downloaded the Connect App? It is a great way to have your child/rens information at your fingertips. A great part of it is that you can send through your child/rens absentees at a push of a button.

In term 4 2019 we will be transitioning the newsletter to this format. In 2020 this will be the only way that you will be sent the newsletter.

AFTER SCHOOL REMINDER

Students who are waiting for their parents after school must sit outside their classroom until they arrive.

If parents are not at the school, students are required to leave the school grounds as soon as they are dismissed from class.

Thank you for your co-operation.

Maria Stanbridge
Deputy Principal
